

Certificate in Teaching English to Young Learners

The Certificate in Teaching English to Young Learners (TEYL)

This 10 unit course focuses on speech, language units and writing skills which form the basic theoretical framework for TEYL practice. The TEYL Certificate is suitable for preschool teachers, kindergarten teachers, primary school teachers and tutors. Students have the flexibility to follow the course in either full or part-time mode. This course adheres to the international curriculum requirements for TEYL Certification. The TEYL programme offered by LTTC is recognized by IATEFL (International Association of Teachers of English as a Foreign Language), the TEFL Board and IATQI (International Association of Teachers of English as a Foreign Language).
